## WELCOME TO ALDRIDGE

Aldridge Security are a family owned and run company who have been the UK's leading supplier of security products to the Locksmith, Architectural Ironmonger & Installer for over 60 years.

### Superior Customer Service

Our friendly Customer Service Team are highly trained and offer a wealth of expertise and product advice to our customers.

All team members undertake on-going product training to ensure that they can offer customers the very highest level of in-house knowledge.

State-of-the-art communications are in place to ensure we are available to service your needs quickly and efficiently.

### Extensive Product Range

With over 13,000 product lines, available from two branches you can be sure of getting the right product, at the right price, right on time.

Our extensive range includes, not only traditional locksmith products and architectural ironmongery, but also up-to-the-minute access control products and our comprehensive Asec range.

### Fast Efficient Service

Orders can be taken by our Sales offices between 8.00am to 5.00pm Monday to Friday. We have a wide range of delivery options available including delivery to Northern Ireland and the Irish Republic.

Our Showrooms, situated at both our London and Manchester branches, are also open during business hours offering a fast, efficient and knowledgeable service.

### Excellent Customer Support

Our comprehensive range of support material includes price lists, catalogues, supplier literature, new product information, promotions and CD-Rom catalogues.

# HOW TO USE THIS DIRECTORY

The images contained within this catalogue are 1:1 scale so that your blank can be held against the pages to identify it. You can find blanks by looking in either the contents for the category or in the index for the blank reference.

Aldridge has taken great care in measuring all the keys inside this guide, and used the industry standard tools to gain information. For more support on finding your requirements contact are sales office for details.
